

WEATHER POLICY

Adverse weather conditions and unplayable situations may result in the following:

1. Delay games for a period of time until the weather breaks and conditions improve.
2. Reduce the number of points required to win a game.
3. Change the tournament from a double to single elimination.
4. Move the tournament indoor within a reasonable distance of the original site, if an indoor site is available.
5. Re-schedule the tournament to a later date, typically the next day, at the same site.
6. Cancel the tournament.

All efforts will be made to play the tournament. In the unlikely event of cancellation due to weather, each team will still receive their T-shirts. The T-shirts plus other operating costs will result in no full refunds. The exact amount of the refunds will be no more than \$50 depending on the number of games that were played (if any) as well as other costs incurred.

Note: In case of weather delays and adjustments to the schedule, it is your responsibility to check your bracket for time adjustments.
